

LEARN HOW TO USE YOUR CAMERA

Do you just use the Auto mode all the time?

Want to know why some pictures turn out blurred or blue?

Got a new camera but don't know what all the buttons do?

If any of these apply to you, we have the answer.

BEESTON CAMERA CLUB – BEGINNERS COURSE

Beeston Camera Club is running a short course of three evenings where one of our members will explain how to take better pictures with your camera. Our expert will explain terms such as exposure, aperture, white balance and how to get the picture you want in-camera.

- Small group size – individual support
- Simple explanations of how to set up your camera for more successful photos.
- Any camera make and model
- Practical advice specific to your camera
