He works regularly in major national and international sporting events such as the Commonwealth Games and European Championships. He also works with clients including Nike, Adidas, World Netball, 220 Triathlon, British Triathlon, England Rugby, England Netball, and World Triathlon. As suggested by the title, this is sports photography with a difference. You can see some of his superb images/portraits if you take a look at his website <https://benlumleyphoto.co.uk/about-ben>.

21<sup>st</sup> **A CAPTURED MOMENT IN PRINT by Derek Doar DPAGB** - Always a popular visitor, Derek's latest print lecture consists mainly of his most recent images in Colour, B&W and Infra-Red taken on his photographic outings and some of the images are panoramic.
