September 2024

5th THE PRESIDENT'S EVENING – Our President, Derek Martin, will give a presentation of various images including those of other Club members. Let us hope we have some new potential members come along. Why not bring along a friend?

12th PLEASING MYSELF by Dave Stewart – During Covid Dave gave us a very interesting presentation by Zoom and then he judged for us in person on the resumption of live evenings. So now we have invited him to show us a selection of his varied work in person as a precursor to our new season. He has over 40 years experience as a Club photographer – over 30 of them as a judge – and has experienced both competitive and commercial success.

19th AN EVENING WITH SALLY SALLETT ARPS CPAGB AFIAP BPE3/ - Sally was particularly well received last season with her trademark humour and has agreed to return with a two-part show which (hopefully) includes a live demonstration. She will show us some Still Lives and also How To Create Floral Images. A delightful evening.

26th A CRITIQUE EVENING - Bring along a few images and we will discuss their merits. Always a good evening.

October 2024

3rd 1st COMP JUDGED BY Ian Pinn

10th A SPORTING CHANCER by Michael Poole - Michael covers Premier League Football as well as rugby union, cricket, ice hockey, basketball, three day eventing and cycling, so you are in for a treat tonight as Michael explains how he tackled gaining access to big sporting events whilst also covering technique and equipment. He gives you the chance to whittle down a set of images to a final 30 cropped and captioned images which have to be sent to the agency within an hour of the end of the game. Time will be tight.

17th OPEN EVENING - The exact format of the evening will be announced nearer the time.

24th AN EVENING WITH ADY KERRY QEP ABIPP – Interestingly, Ady purchased his first camera, a Zenit B, from a photographic shop in Beeston. At the time of writing, he has taken up the post of Technical

Director Instructor Photography at De Montfort University for their BA Course. He is also an Open Water swimming coach and instructor. Tonight, he is going to detail his photographic career from joining the RAF as a photographer through to working as a Freelance Editorial photographer for the past 25 years. Whilst it is retrospective with imagery from across the decades, Ady keeps his talk fresh by including a selection of images from his recent commissions. <https://www.adykerry.com/>

31st PG TIPS CREATING A FRESH BREW by Peter Gennard MFIAP EFIAP/d3 – It is a long while since Peter has given us the benefit of his Brummie humour and a sight of his award winning prints so here is a chance to view some work by a master of his craft and who specialises in Street and Environmental Photography. For those who like a striking fact, Peter has had over 3000 acceptances in International Exhibitions in 45 countries.

November 2024

7th 2nd COMPETITION – judged by Phil Newman ARPS AFIAP BPE4.

14th AN EVENING WITH JURGEN PAYNE – Jurgen is a Beeston Camera Club member and his enthusiastic and knowledgeable presentation on studio work was so well received last season that I have asked him to give us two more sessions this season, both of which will contain a practical element. The evening will probably include the cost of hiring a model.

21st ESSENTIAL CAMERA SKILLS by Richard Houghton – To clarify, the content of the session will open with an interactive discussion with the members to agree what is believed to be the 'Essential Camera Skills' and after the break it will move to a practical photography session. Richard will bring a number of items for the members to photograph and they will be required to bring their camera, charged battery, space on memory card(s) and a tripod. I shall be available throughout to provide assistance and guidance with the settings, composition etc. It is very much a fun and enjoyable evening.

28th GETTING BACK AT THE JUDGE by Ian Pinn – Having judged our first competition Ian feels brave enough to bring along a selection of his prints and invite audience participation in discussing their merits, a real chance to get back at the judge. He will include A2 prints for an evening that certainly promises to be different.

December 2024

5th 3rd COMPETITION judged by David Gibbins ARPSAPAGB EFIAP/b BPE5

12th CELIA'S CHRISTMAS QUIZ – In memory of our much-loved member and past

President, Celia Clayton, who sadly passed away in 2019. We will definitely be continuing with this and because they were so successful last season we are trusting that members Andi Churchill and Martin Bamford will repeat it this year. This will include a Bring Your Own Buffet and a Christmas Raffle. A light-hearted evening to end the year.

19th, 26th DECEMBER and 2nd JANUARY: CHRISTMAS BREAK

January 2025

9th 4th COMPETITION judged by Steve Walters

WEDNESDAY 15TH JANUARY – A SELECTION OF BEESTON MEMBERS WILL VISIT ROLLS ROYCE – A RECIPRACAL VISIT TO BEESTON WILL BE MADE BY ROLLS THURSDAY 27TH MARCH

She has interests in landscapes, street photography and nature to name but a few so come along and enjoy a selection of her favourite subject matter.

23rd NEMPF PDI SHOW – Our annual showing of the accepted PDIs in the North & East Midlands Photographic Exhibition. Stunning images from all the N&EMPF clubs.

30th THE GALAPAGOS AND RAINFORESTS OF ECUADOR by Gianpiero Ferrari FRPS DPAGB FBPE EFIAP – By popular demand, Gianpiero is going to delight us again with his stunning images this time from a journey which begins in the Andean mountains at Quito, the capital of Ecuador, before cruising around the volcanic archipelago that is the Galapagos. We then visit the rainforest of the Antisana National Park before visiting Coca City on the banks of the Napo River, a pristine rainforest habitat. Darwin's Finches, Land Iguana, Giant Galapagos Tortoise, the only penguins to be found in the Northern hemisphere are just a few of the species we will see accompanied by Gianpiero's always informative and often humorous commentary.

13th ANOTHER EVENING WITH JURGEN PAYNE - Another evening with our own member. Details of the exact format of the evening will be announced nearer the time.

20th THE JOURNEY CONTINUES BY Paul Hassell FRPS MPAGB. – Paul gave us an extremely well received presentation last season with his superb prints and I had many requests to recall him so this is Part 2 of his photographic journey, no doubt told with the same humour and skill as he displayed previously. A born storyteller and a great photographer.

27th AN EVENING WITH ROLLS ROYCE MEMBERS – A new idea where several Rolls Royce members will show us a selection of their work without charge in return for which we have agreed to send several of our members to Rolls Royce. In fact, we have agreed to visit Rolls on 15th January 2025, so it should already have happened. This will be an excellent evening.
